

A guide to:

Corporate Partner Programme (CPP)

Why join the IHRP Corporate Partner Programme?

Joining as a CPP enables your organisation to future-proof your Human Capital capabilities for business growth and sustainability, receiving the confidence of being pegged at a national standard. Equip your team to continually address business challenges and navigate the ever-evolving transformation needs of your organisation.

Launched in November 2018, the IHRP Corporate Partner Programme is an initiative to partner organisations on your human capital development journeys.

It's been proven time and again - that progressive, agile and responsible people practices have long-term positive impacts on companies' bottom lines, effectiveness and value creation. Sustainable organisational outcomes are only possible with the continual support and development of your employees, especially those who are in-charge of the development of your people – your HR team.

Build deeper capabilities in better people practices: Chart the growth of your future HR leaders by investing in them now, equipping them with the tools and knowledge on emerging HR skills and competencies. Be part of a circle of progressive companies that continually share HR thought leadership, best-in-class standards and latest industry trends in people practices from Singapore and the Asia region.
